

What's the beauty of CareCredit?

IT CAN HELP KEEP YOUR PATIENTS COMING BACK.

Everyday promotional financing with the CareCredit health, wellness and beauty credit card can help make you a top choice.

81%

of cosmetic providers surveyed said they find CareCredit valuable to their practice.¹

What can this do for your practice?

Simplify the payment process

From faster payments and enhanced satisfaction to support for practices and their teams, CareCredit can help simplify care with no cost for your practice to enroll.

Help boost patients' confidence in their care

With more than 35 years of experience, CareCredit is a trustworthy and transparent way for patients to pay for your full recommendation and fit care in their budget.

Help improve patient loyalty

Once patients are approved for the CareCredit credit card, they can use it to pay upfront and come back again and again for future care.

Stay up-to-date with all things CareCredit.
