Fueling Smart Demand for Tech-Driven Brands

AarMarks Media

WHO WE ARE

AarMarks Media is a performance-based B2B marketing and demand generation agency driven by data, experience, and divine inspiration.

WHAT WE DO

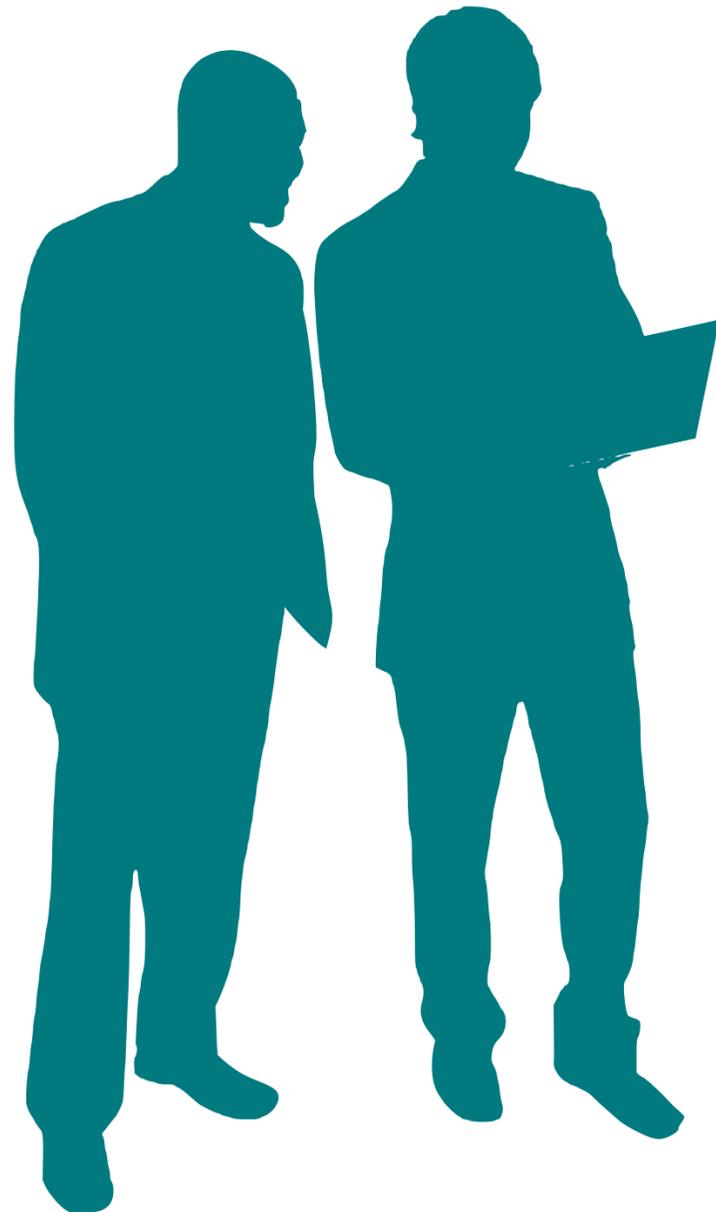

We power lead generation for tech and media agencies using AI targeting, multichannel outreach, and CRM-optimized automation with our TriMarkity platform.

WHAT WE DO

High-intent leads, faster sales cycles, better ROI, and real-time funnel visibility — all driving sustainable growth with less chasing and more closing.

Who Do We Cater To?

We work with digital-first businesses looking to scale smarter:

SaaS & Tech Platforms (CRM, Martech, AI tools, Analytics)

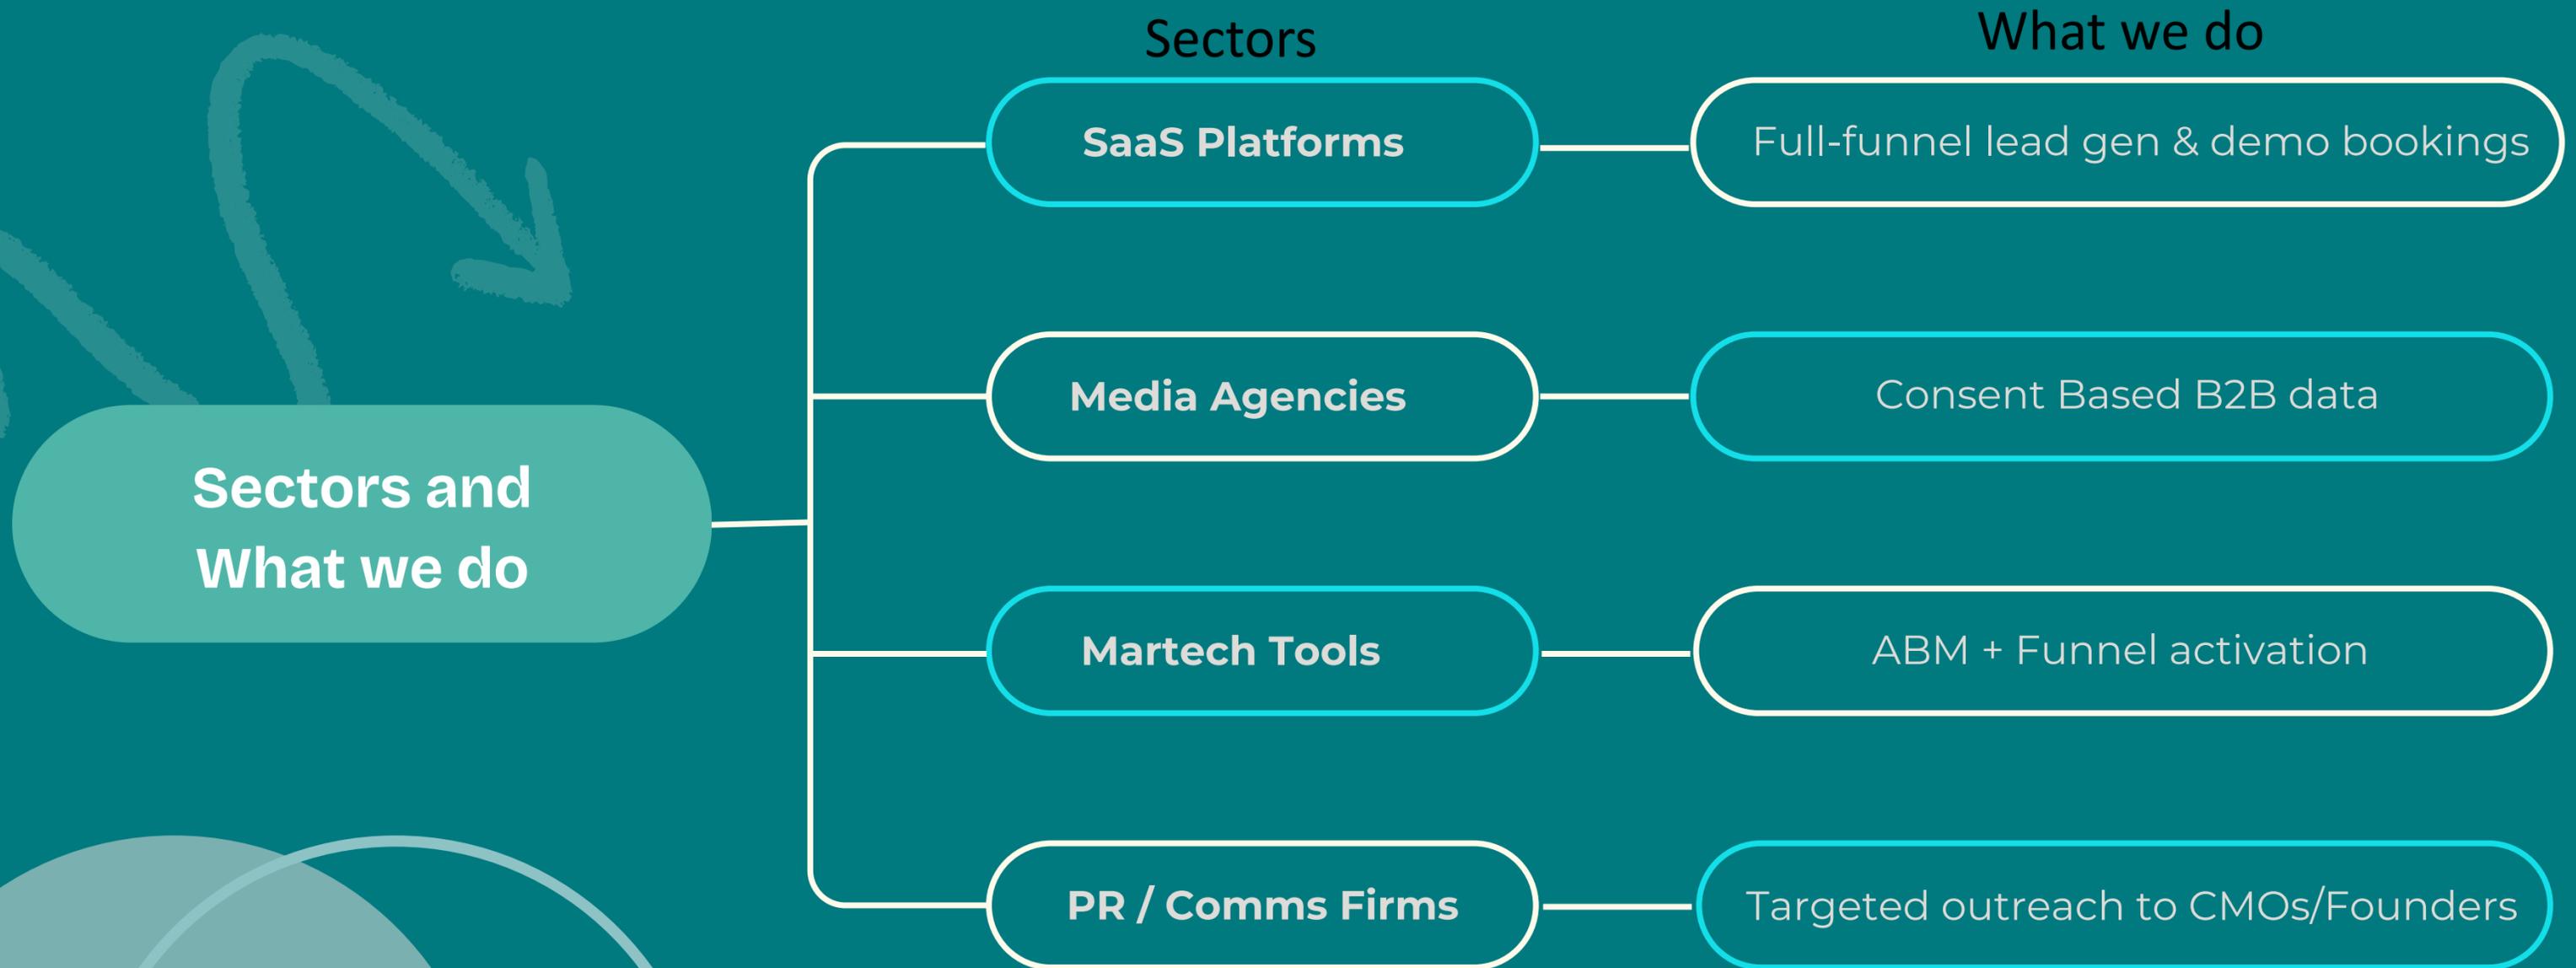

Media & Advertising Agencies (Performance, Influencer, Creative)

B2B Marketing Teams (ABM, Product-Led, Demand Gen)

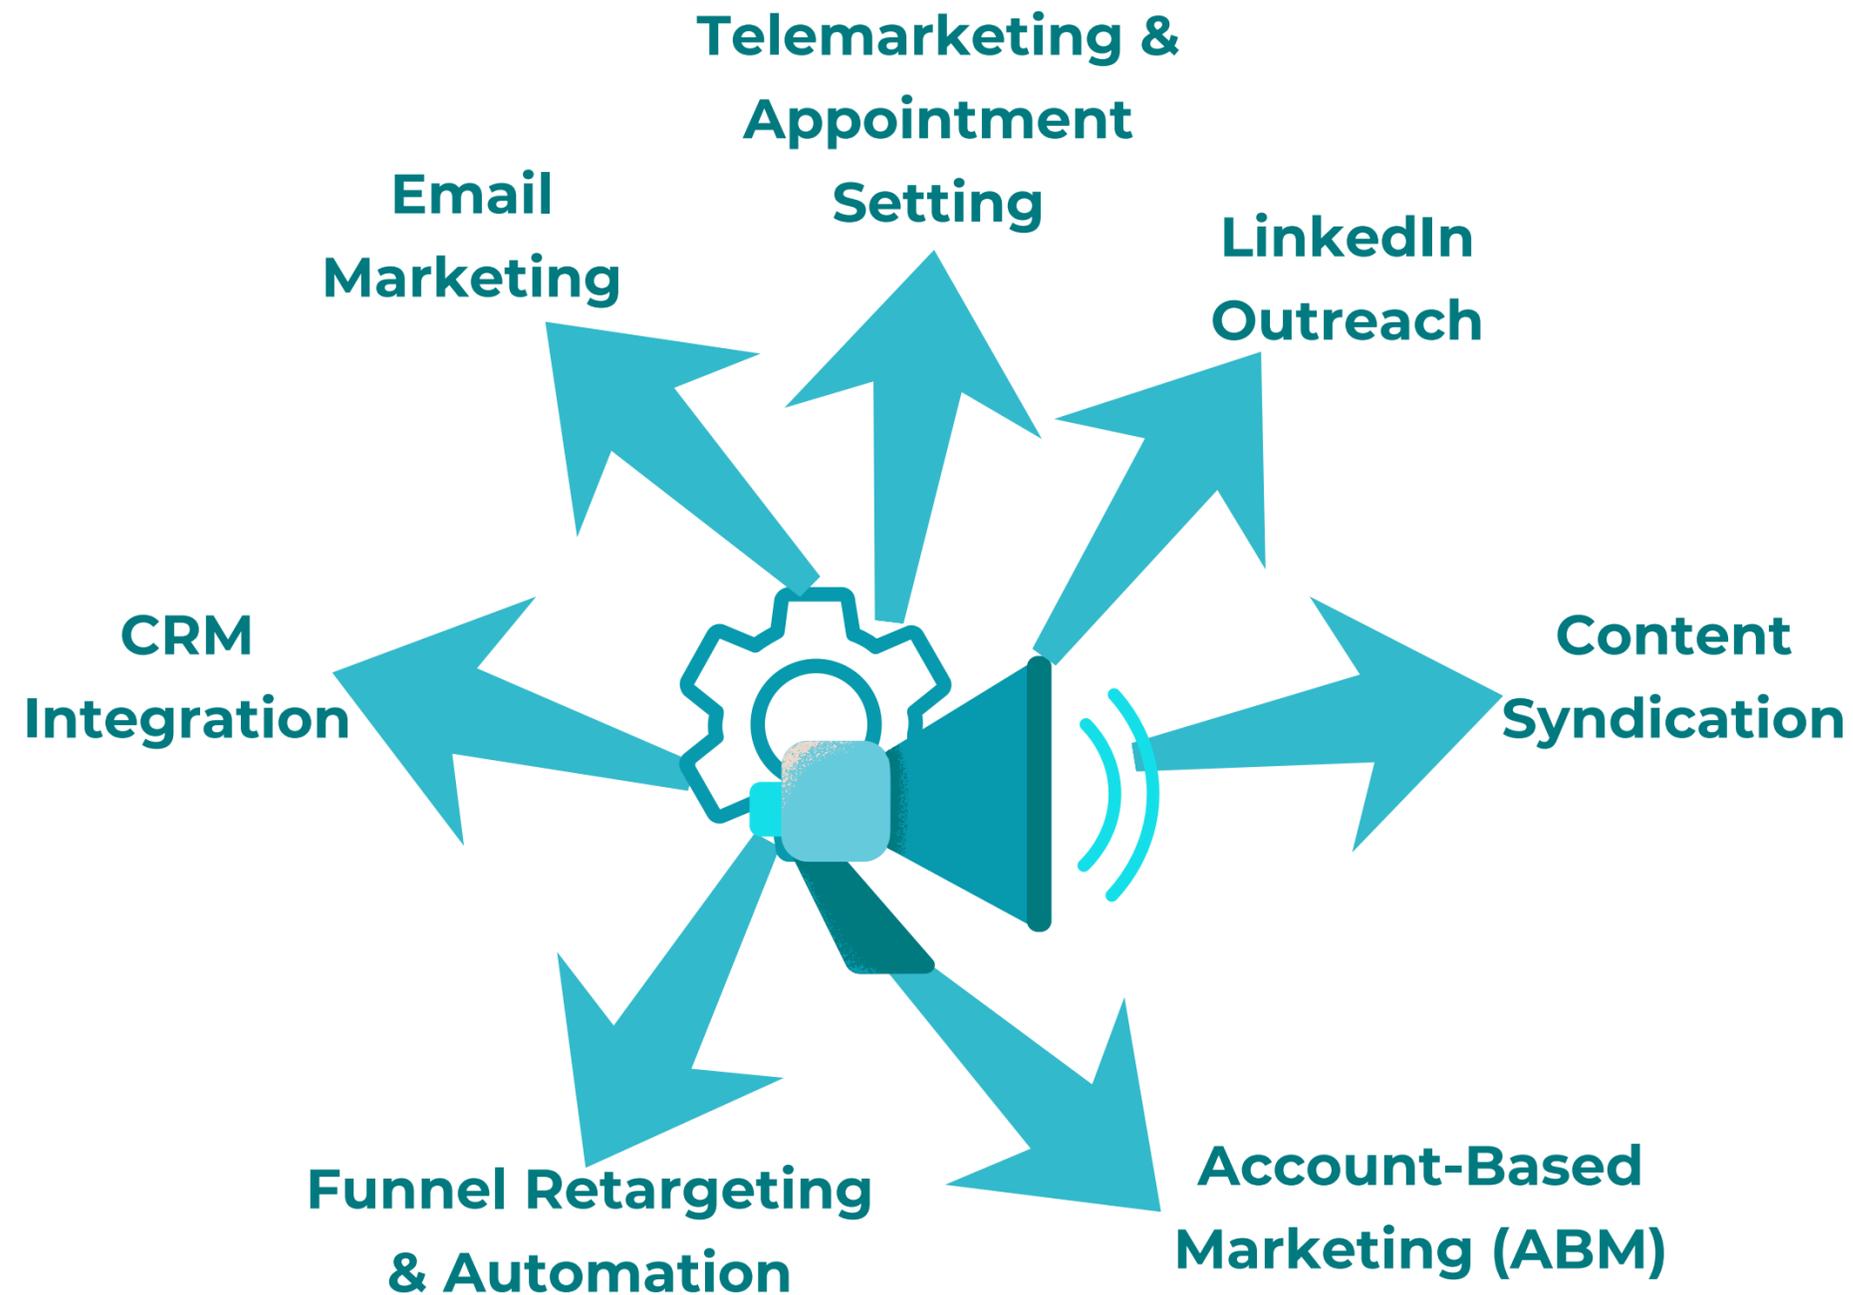

Startups & Growth-Stage Companies (Product Launches, GTM)

Global Outreach & Expansion Campaigns (US, EMEA, APAC focus)

Tech & Media Agencies We Help

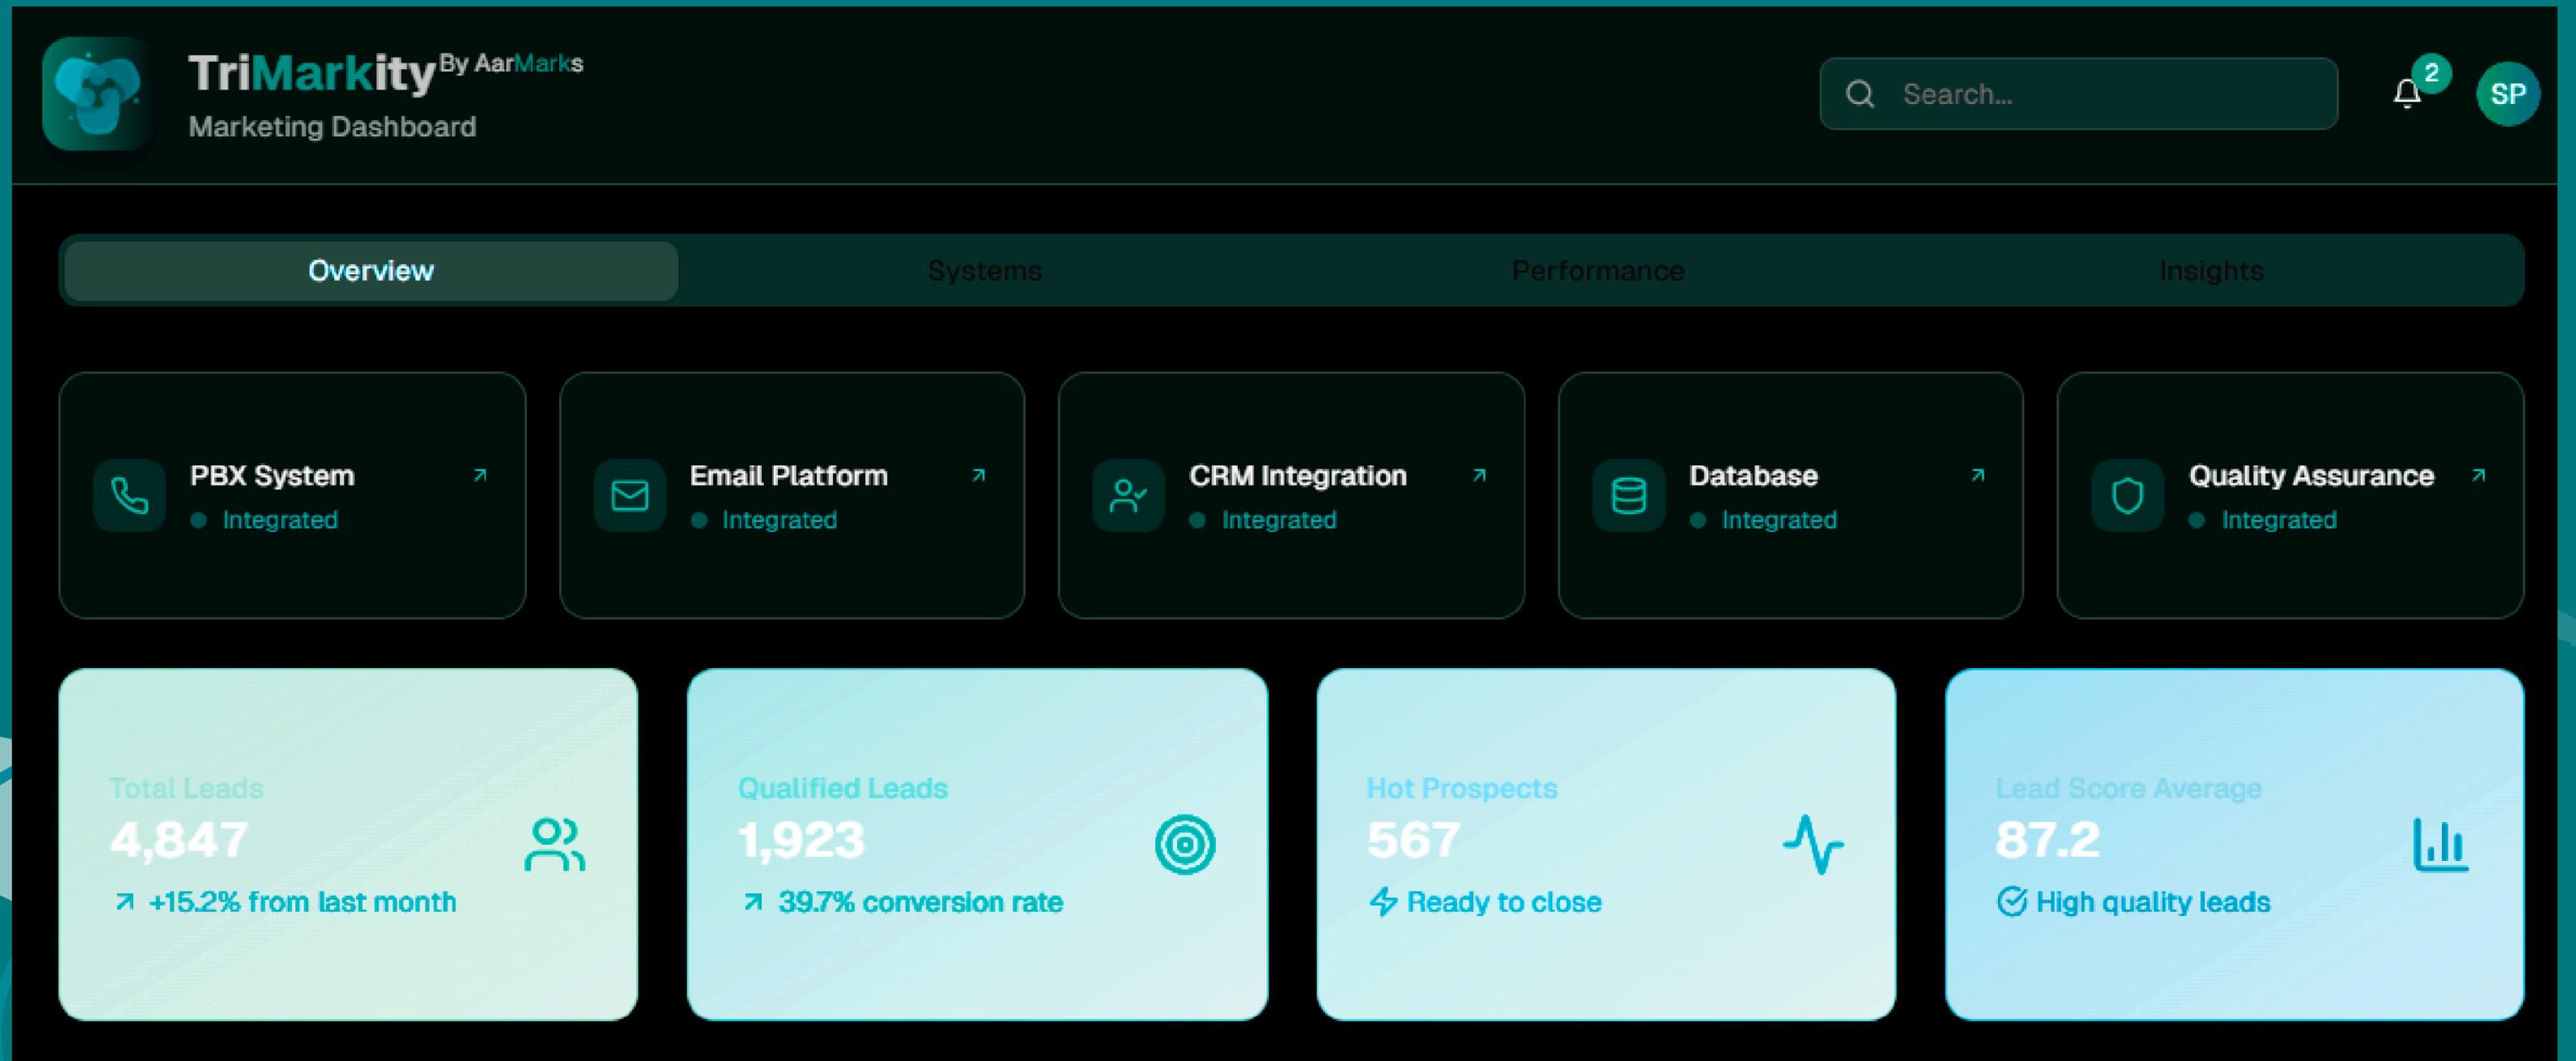

Multiple Channels to Fulfill a Role

Powered by **TriMarkity**, engage your target audience across high-impact channels to drive quality leads and appointments.

What Makes TriMarkity Different?

- ✓ Built for Tech and Media Agencies
- ✓ Combines AI with human verification
- ✓ Fully compliant with GDPR, CCPA, and CASL
- ✓ Drives better quality, faster conversions, and higher ROI

Make Lead Generation Effortless

With AarMarks Media and our TriMarkity platform, you get a complete lead engine — built, optimized, and managed for results.

No more chasing cold leads

We deliver high-intent contacts who are ready to talk.

No messy tools

TriMarkity brings targeting, outreach, and tracking into one clean system.

No wasted budgets

Every campaign is optimized for conversions, not just clicks.

No missed follow-ups

Automated touchpoints across email, LinkedIn, & phone.

No CRM chaos

Leads are synced in real-time with status updates, recordings, and insights.

Key Performance Indicators

We believe in data-backed execution and transparent reporting. Our KPIs are built to reflect real business impact, not just vanity metrics.

The Gig Advantage

In a fast-moving digital economy, agility wins. AarMarks Media empowers you to scale quickly with on-demand growth campaigns that flex to your needs — just like the gig model.

Cost Control

Speed & Flexibility

Access to Specialized Talent

Low Operational Burden

Custom Campaigns, Always

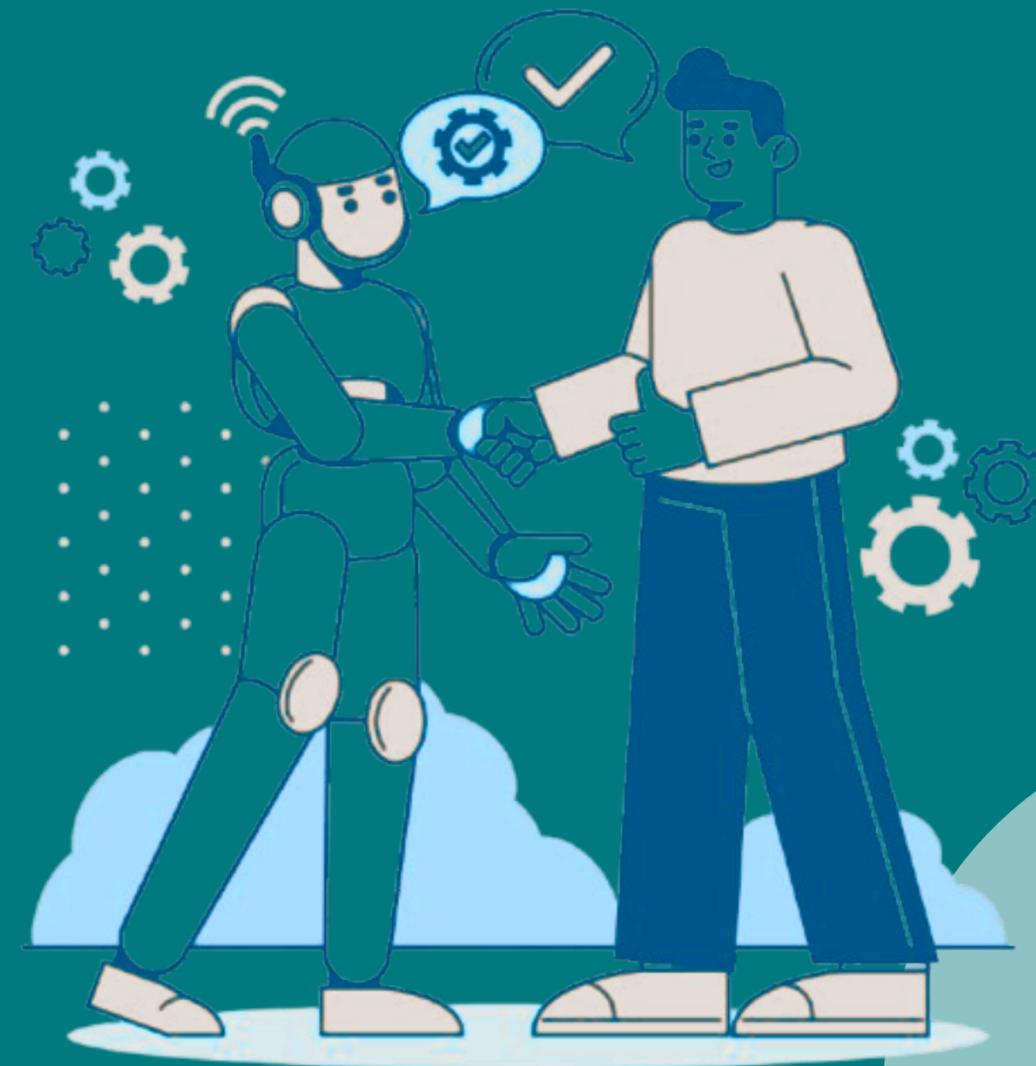

Global Reach

Enterprise-level execution with the agility and cost-efficiency of a gig model — powered by TriMarkity and delivered by AarMarks Media.

Here's How It Works:

This AI-to-Human Touch Flow is what makes AarMarks Media not just a lead provider, but a full-funnel growth partner.

AI-Led Targeting(Powered by TriMarkity)

- Identifies your Ideal Customer Profiles (ICPs)
- Tracks buyer intent, tech stack, job roles, and firmographics
- Builds a dynamic prospect list based on real-time signals

Automated Multi-Channel

- Email, LinkedIn, and WhatsApp messages go out in tested sequences
- A/B tested subject lines and content hooks to drive interaction
- AI tracks responses, engagement level, and urgency signals

Monitor and Evaluate

- Live SDRs follow up on high-interest leads via phone or message
- Conversations are tailored using AI insights and lead history
- Call recordings, notes, and outcomes are logged for transparency
